Theology of the Body

Join us for an in-depth study of Pope John Paul II's *glorious* Theology of the Body.

This message answers the mysteries of why God created us male and female, what our roles are, and how we fulfill our God-given natures in an ultra-modern world. It is the Christian response to the Sexual Revolution and a theological time-bomb set to go off in the 21st century. Help it happen and let it begin in your life and the lives of your family. Pope John Paul II knew the answers to the secret longings of our hearts and he understood why God put those longings there.

This is an 8-part DVD series. We will present 2 parts per week for 4 weeks.

Sunday evenings 6:00-8:00 pm (6:00-7:30 DVD presentation, 7:30-8:00 Q&A)

April 11th, 18th, 25th, May 2nd at the Education Center *St. Martín de Porres*

Come as you are. Do whatever you need to do to hear this message. Bring your kids, we can let them play outside together, hold your babies on your lap, come in pajamas, come in shorts, come clean or come worn out from your weekend. Pack your dinner, pack a video for the kids, whatever you need to do. Don't worry if you can't make it to all of the sessions - come to hear whatever you can hear, whenever you can hear it.

We hope to see you there!
